BROCHURE

DATED 04.08.2025

| *CSB Homes*

Welcome

At CSB Homes, we value more than just the look of your home. We stake our reputation on the quality of our build, which starts from the foundations.

Over the past 30 years, CSB Homes has developed an unparalleled reputation of quality construction that is widely recognised across the industry. This reputation was built on a background of European training and workmanship and fostered over the years by our “near enough is not good enough” attitude. It is only fitting that our standard inclusions are aligned with the reputation of quality construction that we have developed over the years. These inclusions provide you with the peace of mind knowing that you will be provided with a set of industry leading standard inclusions. These inclusions, together with the quality of construction that occurs behind the scenes, provides the perfect formula for the construction of a quality home that stand the test of time.
